

Social Enhancement

At Burton's Ridge, we take great pride in balancing any medical, rehabilitative or therapeutic needs of our residents with their need for independence and social interaction. Our programs and services are designed to provide quality of life and a sense of well-being.

We offer a comforting, homelike community where residents can reside in privacy but still have access to a variety of social activities within the building and in the neighboring community. Some of the many social benefits residents enjoy are:

- Designated area for activities
- Complete social calendar
- Transportation for outings
- Active resident council

Plus, large social areas in each building foster companionship among residents, provide an attractive setting to gather and visit with family and friends, and provide a relaxing setting for personal quiet time.

We Make the Transition Easier

At Burton's Ridge Assisted Living, our programs and services are able to ease the transition of living at home to assisted living. We understand the importance of maintaining personal independence while providing a helping hand when necessary.

Our compassionate staff is on duty 24 hours a day, seven days a week to assure your loved one is getting the same quality care you want and expect.

Experience the security of assisted living with the comforts of home at Burton's Ridge.

Contact Us

We invite you to contact us to learn more about our care community and its many amenities. Contact us to discuss your particular needs or to arrange a visit. We encourage you to speak with our staff and residents to gather the information you need to make an informed decision for your loved one, and you.

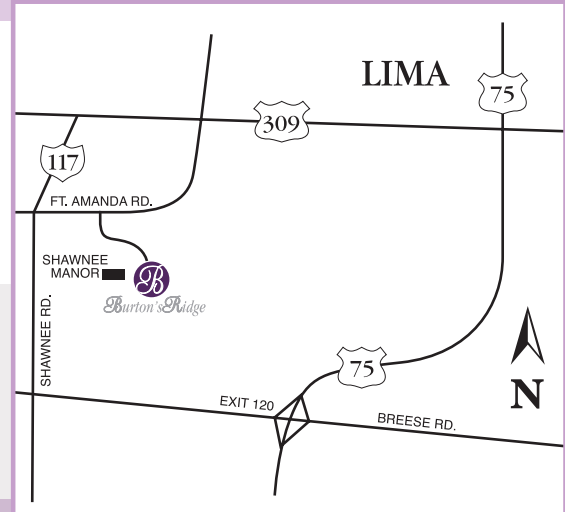

Joy In Moments™

Bringing You Daily Moments of Joy

Whether it's late night herbal tea or enjoying a good book, we encourage you to continue in the same daily activities that have always brought you joy while at home!

Help us assure these moments can happen during your stay with us.

Care Centered Around You

Welcome to Burton's Ridge Assisted Living

At Burton's Ridge, we offer a variety of living arrangements, services, meal options, social activities and amenities that promote independent living, dignity and a quality lifestyle. Our goal is to provide a broad range of options that help seniors enjoy a full life on their own terms, while providing the professional assistance necessary for any who may need a helping hand.

Our assisted living community offers an alternative to traditional nursing care, providing just the right amount of support, care and the comfort of knowing help is available if needed. We understand that seniors have varying needs and our communities are neighborhoods that foster the desire for independence, as well as a comfortable, stress-free lifestyle surrounded by friends and family.

We offer a comforting, homelike community where residents can reside in privacy but still have access to a variety of social activities within the building and in the neighboring community.

Accommodations

Peace of mind starts at Burton's Ridge

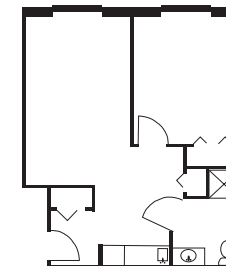

We have created a comfortable and safe home for you or your loved one, nestled in a beautiful, rural setting. The building is divided into four neighborhoods. Each neighborhood features private suites and large social areas which foster companionship among residents, while still maintaining a sense of personal space.

Attractive suites to suit your tastes

Burton's Ridge offers two distinct floor plans to meet the needs of every resident. Each suite features all the comforts of home including carpeting, window treatments, large private bath with walk-in shower, ample storage space, individually controlled heating and air conditioning units, and fully equipped kitchenette.

Studio Apartment –
Features a combination living room and bedroom.

One Bedroom Apartment –
An open space for living and dining with a separate bedroom.

Residents are encouraged to decorate their suites as they wish with personal furnishings, mementos and accessories. And, of course, small pets are welcome.
